Demo/Summary of
unit 'Key learning'

Macro (Vertical) Curriculum End points

- Intended destination in a subject at the end of a Keystage
- Wide ranging knowledge and skills that are a culmination of prior learning
- 'Composite end point' made up of the components within the learning across year groups
- In readiness for the next stage in children's education e.g. prepares them for KS1, KS2 or KS3
- Subject disciplinary element

Micro (Horizontal) Curriculum End points

- Intended outcome in a subject at the end of a unit
- The 'component' knowledge and skills that contribute to the 'composite' end point
- Sequenced learning objectives, knowledge, skills and vocabulary
- Learning that will form a foundation for future learning
