

Year 3 Autumn 1 Home Learning

You can choose any activities from the range below that you would like to do. The more activities that you complete, the more merits you will earn. The number of merits is listed under each activity.

The focus is **quality work** not just completing tasks quickly. Think carefully about the presentation and content of your work to make sure that you produce work that you are proud of. When you complete a task, neatly stick it into your book. If it cannot be stuck in, please take photos or bring it in to show us! When you have completed an activity, please tick the box to show what you have completed. Enjoy your learning!

Please bring back your home learning book by **Wednesday 22nd October** to be marked and merits given.
