

Year 2 Summer 1 Home Learning

You can choose any activities from the range below that you would like to do. The more activities that you complete, the more merits you will earn. The number of merits is listed under each activity.

The focus is **quality work** not just completing tasks quickly. Think carefully about the presentation and content of your work to make sure that you produce work that you are proud of. When you complete a task, neatly stick it into your book. If it cannot be stuck in, please take photos or bring it in to show us! When you have completed an activity, please tick the box to show what you have completed. Enjoy your learning!

Please bring back your home learning book by **Monday 20th May** to be marked and merits given.

English Read a fairy tale with your grown up then talk about how you could 'twist' the ending. 2 merits	Maths Help your grown up with cutting up food. Can you cut the food exactly in half? In quarters? What about finding other fractions like $\frac{1}{3}$ or $\frac{3}{4}$? 4 merits	Handwriting Write a word or sentence for each letter of the alphabet. Use your joined up handwriting skills. 3 merits
Science Research and draw the different stages in the life cycle of an animal. You can choose the animal, 3 merits	History Use junk modelling to make your own castle. Think about the features a castle has. 5 merits	Art Make a collage using any materials. You could even use materials from nature! 4 merits
PE Practise your fielding skills. 3 merits	Music Sing or play an instrument to the tune of your favourite friendship song. You could even write your own friendship song! 3 merits	Computing Use Paint Z to make an artwork. You could copy and paste a picture from Google Images too! https://paintz.app/ 3 merits
