

# British Values at Stalham Schools

## Our Values

### Understanding ALL Cultures & Religions

- We **investigate** and learn about different **traditions, customs and religious beliefs**
- We discuss how **diversity** makes us what we are today

### Making decisions together:

- We have an opportunity to **influence** the way the school runs through the **school council** and by **talking to staff**
- We decide on our **rewards** when we have **achieved** - e.g. Y6 Booster Rewards.
- We can **influence our lessons** by putting our hands up and **responding**

### Freedom for all:

- We make our **choices** and **understand** the **rewards and consequences** for our actions
- We take **ownership** of our own learning and **responsibility** for consolidating the work we do
- We have the **freedom** to make **choices** that affect me but we recognise that we are **accountable** for our actions

### Treat others as you want to be treated:

- We work **together cooperatively** and **support** the learning of others
- We **respect** each other's **viewpoints** and **model good manners**
- We recognise that everyone is **entitled** to their **opinion**
- We understand that everyone is entitled to a **voice** within the classroom

### Understanding why rules are important:

- We understand Behaviour for Learning **expectations**
- We understand the **importance** of learning environment, punctuality and dress code
- We understand that **school rules** are used to mirror **society's laws** and must be **respected**.

### Active Citizens:

- We **recognise** that we are **equally responsible** for our learning as the teacher
- We take **responsibility** for our actions - good or bad
- We all have the responsibility to **promote** and **protect** the **well-being** of others.

Social - Moral - Spiritual - Cultural
