

Year 6 Autumn 1 Home Learning

You can choose any activities from the range below that you would like to do. The more activities that you complete, the more merits you will earn. The number of merits is listed under each activity. The focus is quality work not just completing tasks quickly. Think carefully about the presentation and content of your work to make sure that you produce work that you are proud of. When you complete a task, neatly stick it into your book. If it cannot be stuck in, please take photos or bring it in to show us! When you have completed an activity, please tick the box to show what you have completed. Enjoy your learning!

Please bring back your home learning book by Monday 20th October to be marked and merits given.

Create your own model tank or gas mask. 5 merits	Take a look at handwriting from WWII and compare it to your own. What is similar/different about it? 3 merits	Write your name using Morse code. Can you also construct a message too? 1 merit
Create a World War II quiz including at least six questions. Challenge your family and friends to answer them. 2 merits	Find an item of clothing or piece of material that you don't need or have grown out of and turn it into something new. 5 merits	Alan Turing was a very important man during WWII. Find out why and then come up with a similar system of your own. 3 merits
Research a World War II recipe and make it for your family to try. Take a photo of the meal and write out the recipe. Also write a review of what you and your family thought of the meal. 5 merits	Find and listen to a song/piece of music from around World War II time. Describe what you think of it and why. 2 merits	Write your own poem inspired by World War II. 2 merits
